Monument day—July 15.

Manning was well represented at the
Isle of Palms last Sunday.

Miss Tasca Turbeville is spending
her vacation in Charleston.

We call attention to the card of A.
P. Burgess for auditor in this issue.

The crops of the county are good and
the farmers are jubilant over the
prospect.

FOR SALE—500 bushels of good corn,
apply to H. J. Haley, Manning, R.
F. D. No. 2.

The patrons of the Oakdale school
are preparing to have a special tax
for school purposes.

Mr. R. B. Laney of Bishopville was
the guest of Miss Ethelita Brunson of
Summerton last week.

Dr. and Mrs. Fischer and Mrs. J. W.
Broadway, of Summerton, were down
by the ocean Sunday.

Mr. W. T. Tobias, has been called to
Sullivan, Ala., where his son Mr. Martin
Tobias is quite ill.

Dr. Irby, the popular pharmacist,
of Zeigler's Pharmacy, is spending his
vacation in the up-country.

Mr. Graham Moses of Sumter, and
Miss Lucile Isaman of Manning are to
be married next Wednesday.

Mr. and Mrs. S. Oliver O'Bryan
arrived home Monday evening after
spending a few days at the Isle of
Palms.

The following have contributed to
the cemetery fence: Messrs. A. P.
Burgess \$2.50 and C. Allan McFaddin
\$3.00.

There is no reason why Manning
should not sell as much tobacco this
season as any market in this portion of
the State.

Whoever took a hand saw from the
store of the Manning Furniture Co.,
will please return same to me. Spill-
man Strange.

Mr. and Mrs. R. C. Richardson and
Mr. Lucian Bratton, of Panama, were
among the visitors at the Isle of Palms
last Sunday.

Let everybody lay their matters aside
and come to Manning next Wednesday
to be at the unveiling of the confederate
monument.

The Times editor is under obligations
for a nice lot of large and luscious
peaches presented to him last Friday
by Mr. J. Mc. Bagnal of Wilcox.

We want to have it said that Clarendon
has the cleanest enrollment books in
the State, and it depends upon the
fairness of the secretaries to have such
books.

Hoo. C. M. Davis of Summerton,
passed through Manning yesterday
morning on his way to the State Demo-
cratic Executive Committee, which
convened at Columbia.

Attention is directed to the card of
Hon. R. S. DeSchaamps who announces
himself a candidate for the House of
Representatives. Mr. DeSchaamps has
served in that body before.

The board of registration held its
monthly session last Monday in the
court house. This board meets for the
purpose to issue registration certifi-
cates 1st Monday of each month.

Our readers will have to indulge us
this week because of the lack of inter-
esting matter. Indisposition and other
causes has put into our energies, and
efforts to get up sufficient reading mat-
ter.

The time is growing less for the en-
rolling of voters, those who do not
write their names on the books cannot
afterwards complain if they are not
permitted to exercise the right of a
free citizen.

Invitations have been issued by Mr.
and Mrs. D. M. Bradham, for the com-
ing marriage of their daughter "Isa-
bella" to Mr. James Thomas Mathews,
ensign United States Navy, on the 16th
inst. The public is cordially in-
vited to attend with well filled baskets.
The Times editor is grateful for a
special invitation to be one of the
speakers for the occasion, but he will
ask to be excused on the ground that
he is not qualified to make a pythian
address, as he has not given the order
the study he should have, although he
has been a knight for twenty five
years or more. There will be speakers
present to entertain the assembled
hosts.

We received a letter from Pinewood
with regards to the proposed picnic of
the Pinewood and Paxville Knights of
Pythias lodges and across people are
going to have a picnic right on the 16th.
The committee in charge have in-
vited a number of gentlemen to make
speeches and among them are some
very fine speakers. We hope that the
attendance will be large from all over
the county.

Remember, the days for enrolling are
getting shorter. Only a few more
days are left. The secretaries of each
club should go over their books and if
they find there is a man who should be
on the roll and is not, he should as a
matter of patriotism go to that man
and urge him to get his name on the
book, and if he has names on his book
sign the list, the totals he should make
it his business to get those names
signed with the full names.

Next Wednesday the 15th inst., will
be Manning's gala day. It will be the
day that the confederate monument
will be unveiled, and great prepara-
tions are being made to entertain the
hundreds of visitors expected. Every
school child in the county should be
brought to Manning for that occasion.
Remember it is next Wednesday morn-
ing. The Veterans will be given an
automobile parade, and they will be
entertained by the monument associa-
tion.

Confederate Monument Day will be a
great event in Manning and every ef-
fort will be made to give the veterans a
good time. Wednesday morning of the
15th it is proposed to have a parade,
and invitations have been sent out to
the owners of all automobiles to come
to Manning, with their machines, and
join the parade. The veterans are to
assemble in the grand jury room where
they will be received by the ladies and
the committee in charge of the parade.
Remember all of the veterans are to
assemble at the court house at 10 o'clock
Wednesday morning of the 15th inst.

Where does the town authorities pro-
pose to establish the sewerage system
and the water mains is of vital impor-
tance to the taxpayers, and it be-
hooves every one of the prop-
erty holders to attend the public meet-
ing called in this issue for the after-
noon of the 14th inst. Do not wait to
inquire when you go to cast your vote,
but get your information before, so that
you may vote understandingly. Be-
sides, it is necessary for the voter to
know who is to have the handling of
the \$40,000 that is to be spent for water
works and sewerage, it is not every
man who is qualified. Let every patri-
otic owner turn out to the meeting in
the court house Tuesday afternoon at
6:30 o'clock of the 14th inst., which
will be one week from yesterday.

Dr. Brown Leaves Tuesday.

Dr. C. C. Brown writes: "After
July 5, I expect to make Beaufort my
headquarters, and I shall be glad if my
friends and acquaintances of every kind
will address me at that place, and not
at Sumter. As soon as I can settle on
my nest in Beaufort, and have been re-
freshed by the winds from the sea, I'll
take up my pen in behalf of The Cour-
ier and the Old Preachers and coun-
cil in general.—The Baptist Courier.

Of Course.

To the Editor of The Manning Times:
In my letter to the people of Clarendon
county, it has been my purpose
to tell the truth and nothing but the
truth. I have fallen into one error
and will seek to make amends by apolo-
gizing for it.
In letter No. 2, in speaking of the
two new County Commissioners, I asked
the Senator if they were really local
officials, if he could tell the date the
bill creating them became law, point us
to the page in the record on which
we could read the bill, etc.
I had been told by a friend that this
bill had never passed, and could not be
found on the records.
By reference to the Senate Journal
of 1913, I find the full history of this
bill, from its introduction to its ratifi-
cation. Therefore there is no question
whatever, as to the two new County
Commissioners being full fledged offi-
cials.
I therefore apologize to Senator
Appel for my reference to this matter,
and hope this will be satisfactory.
Yours very truly,
JOS. H. BURGESS.

Summerton July 3.

In Sad But Loving Remembrance of a
Dear Father and Brother

God works in mysterious ways, his
wonders to perform.
On the morning of November 19th,
1913 he saw it best to call from us our
much beloved father, W. Benson
Evans. We must have thought we
could not do without "pa" so God in
his mysterious way knew we must love
him best and His will, not ours be
done. Now were we not submissive
enough, or were we not worthy of
keeping with us our Darling Sainted
brother Thomas Legare Evans? That
on the morning of June 24th, 1914 God
must have said to his Reapers "In My
Great Kingdom I need another angle,
go to earth and bring me the purest
one and his choice was our precious
brother Legare. He was 9 years of
age. His sweet and loving disposition
won for him the love of all who knew
him. It was 6:15 o'clock when the an-
gles came shouting down from Heaven,
and bore away with them the soul of
this dear little brother. To part with
him was pain, but our loss are their
eternal gain and we know they are
waiting, ever waiting, for the friends
they loved best, and they'll gladly hail
our coming to the mansion of
blessed rest. One by one the Lord will
call us when our labors here are done, and
then as we cross the River we shall
meet them one by one.
A Devoted Daughter and Sister,
ALICE JOHNSON.

A Mass Meeting Suggested.

The Town Council has issued an or-
der for an election to be held July 21st
on the question of issuing bonds \$10,000
for water works and sewerage, and at
the same time, the voters are required
to elect three Commissioners who will
have the management and control of
the money derived from the sale of the
bonds. We therefore think it but
proper that before said election is held
that there should be a mass meeting of
the property owners to consider this
important step in the town's progress,
and compile three Commissioners of
known ability.

We therefore suggest that the prop-
erty owners of Manning assemble in the
Court House on Tuesday afternoon
July 14th, at 6 o'clock for the purpose
of considering the entire propo-
sition. Therefore we think the com-
missioners required, should the voters de-
cide to vote for the bonds.
Citizens of Manning the placing of
\$40,000 on the property is a serious
matter, but we think it is for the town's
benefit that it should be decided, and
it is done with a view of reaching in its
benefits the most people. Then too,
the Commissioners who are to be en-
trusted with this matter should be men
who know how to handle so large a
proposition. Therefore we think it is
good business for those to be affected
to come together and give this matter
the fullest consideration.

We further believe that every mem-
ber of the town council will endorse
this proposition, and we suggest that
to nominate the three Commissioners.
Let us meet on the afternoon of the 14th
at 6 o'clock.

Novelty for the Invalid's Chair.

A most inexpensive but charming
tiny set for invalid's tray is a glass
combination creamer, sugar and but-
ter dish. The little crystal sugar is
covered by the butter plate (as a lid),
and it in turn fits over the creamer,
so that all three may be fitted one
into the other and take but little space
on the tray.

Daily Thought.

Our greatest glory consists, not in
never failing, but in rising every time
we fall.—Goldsmith.

Soft Soap
"Look here Mr. So and So. I should
like to see you run for — office, if
you will, me and mine will do all that
we can to elect you." This dab of soft
soap has been given to a number of
gentlemen living in different sections of
the county, but of course, only to men of
influence, but who were known would
not give the proposition any considera-
tion whatever. The proposition was
not made with a view of getting con-
sent, but for the sole purpose of putting
these gentlemen under obligations in
case some one connected with the pro-
poser, concludes to run for the office
they are anxious to find opposition. It
very often happens that the use of
soft soap will cheat out of the fire
is very comforting to one side of the
proposition.
The person who wants to run for office
should have the willingness to trust
the without resorting to all manner of
devised schemes. Let him announce
his intentions, and if the people want
him they will indicate it at the ballot
box, if they do not want him, they will
do the same. No man is under obliga-
tions to another for political support
merely because the one now granting
support, at one time solicited to run
for the same or some other office.—You
run for office and I will support you
trick is so old that it will not even
fool children.

Mr. Baker Not Threatened.

Editor The Manning Times—
My Dear Sir: Please allow me space
in your valuable paper to correct a
wrong impression made in the article,
signed "Farmer," in your paper of
last week. The impression is made
that Mr. Capers, postmaster at Sum-
merton, threatened me by saying that
if I did not vote for Whaley I would
lose the post office at Silver. Mr.
Capers is and has been my warm
friend regardless of who I vote for,
for any office. One day last week he was
my guest and we were attending to
some insurance business. I told him of
my friendship for Mr. Dennis and
him to vote for Dennis as he was my
personal friend. Mr. Capers replied
that he was for Whaley on principle
and that he could not therefore vote
for my friend Dennis, but that he
thought that I was justifiable under the
circumstances in voting for Dennis. I
know that Mr. Capers remarked to
others that he thought I was "warranted
in voting for Dennis." "Farmer,"
his article creates the impression that
Mr. Capers tried to dissuade me from
voting for Mr. Dennis. This is an in-
justice to Mr. Capers, and I would
thank you to publish this correction.
Respectfully,
SILVER, S. C., July 6, 1914.

In Memory of my Devoted Father

On June the 16th, at 8 o'clock p. m.,
the death angel entered my home and
taken away my dear father, Mr. J. R.
Kolb.
He had been a great sufferer for
about three months, he came to my
home on the 8th of March, and from
that time up to his death he was
a great sufferer. But he had said a
good while before his death, that if it
was God's Will for him to get up again
he was willing, and if it was His Will
to take him he was willing to go.
And the day he died, he said that he
was willing to bear his suffering here,
and urged us all to prepare to meet
him. And I feel sure, and satisfied
that he was willing and ready to go
when the call of God came bidding him
to leave this world and go home to rest.
He leaves an aged mother, one sister,
a wife and two daughters to mourn his
loss.
Yes he is gone, and Oh how I long to
be with him there, free from all trou-
ble and sorrow, where all is peace and
joy, and happiness.
He was laid to rest at Home Branch
church by his darling little baby
Dearest father that has left us,
And our loss we deeply feel,
But his God that has bereft us,
He can all our sorrows heal,
Yet again we hope to meet Thee;
When the days of life is o'er,
Where in Heaven in joy we meet Thee;
Where no farewell tears is shed,
Precious father, he has left us
Left us, Yes forever more;
But we hope to meet our loved one
On that bright and happy shore,
Lonely the house, and the home
Since our dear one is gone,
But Oh, a brighter home than ours,
In Heaven is now his own.

The dearest one from us has gone
A voice we loved is stilled
A place is vacant in our home,
Which can never be filled
God in his wisdom has received,
The boon, his love has given
And then the body slumber here
The Soul is safe in Heaven.
His devoted daughter,
MRS. CAMMIE MORRIS.

To Cultivate Cheerfulness.

Sydney Smith once gave a woman
a score of recipes for cheerfulness,
and among them was to remember all
the pleasant things said to and of her,
to keep a box of candy on the chim-
ney-piece and a kettle simmering on
the hob. Do not give way to melan-
choly; never ask "Why were we
born?" If you are giving to asking
questions, ask easy ones.

Merely a Supply City.

The raising of eggs are things apart to the
farmers in the Basel consular district.
While Basel is one of the principal
supply cities of Europe for poultry
and eggs, only a small percentage is
actually produced in the Basel district
or in Switzerland.

Immense Forest Nursery.

One of the largest forest nurseries
in the United States is conducted by
the forest service near Haugen, Mont.
It is known as the Savencon nursery,
and has a capacity of 4,000,000 young
trees a year.

Ordeal of Touch.

An indication of the belief that hu-
man blood has a vital connection with
its divine source is found in the wide-
spread opinion that the blood of a
murdered person will bear witness
against the murderer by flowing at-
tached to his touch. Literature teems with
incidents of the "ordeal of touch."

Expensive Lawmaking Body.

France has the most expensive par-
liament. It costs \$1,500,000 a year.

Living Insects as Ornaments.

In South America and Central
America several species of living in-
sects are worn as ornaments. A bee-
tle found in the crevices of old walls
is worn by the girls to ward off evil
spirits.

Perils.

"Does that play tend to remind you
of the dangers of a great city?" "In
my opinion," replied the uncompromis-
ing critic, "it goes further. It's one
of them."—Chicago Daily Journal.

Committee on Railway Mail Pay.

June 12th, 1914.—Mr. Ralph Peters,
Chairman of the Committee on Rail-
way Mail Pay, representing 264 rail-
roads carrying mails on over 218,000
miles of line, authorized the following
statements.

The Rules Committee of the House
of Representatives has, I am informed,
adopted a recommendation that the so-
called "Moon Bill" for the purpose of
Sundry Appropriation Bill now being
considered by the House. The under-
lying principle of the Moon Bill is to
reduce the pay of the railroads for car-
rying the mails by about \$10,000,000.00.
Congress sometime ago appointed a
Joint Committee of which former Sen-
ator Jonathan Bourne Jr., of Oregon,
is the Chairman, to investigate the
whole subject of railway mail pay and
recommend to Congress the proper
method which should be adopted. That
Committee has conducted a most ex-
haustive investigation but has not yet
reported, although it intends shortly
to do so.

The railroads have, I believe, pro-
ved conclusively to the Committee that
they are certainly not overpaid for car-
rying the mails, but were, as we see it,
underpaid by at least \$10,000,000.00 an-
nually. In making his closing argu-
ment on the five per cent advance rate
case, Mr. Brandeis, as its special coun-
sel, advised the Interstate Commerce
Commission that to him it seemed
clear that the railways mail service
was unremunerative to the railways.

At the instigation of the post office
Department, which has, we feel, been
grossly unfair in all questions relating
to compensating the railroads for car-
rying the increased burden of the par-
cel post, and before the Joint Congres-
sional Committee has rendered its re-
port, Congressman Moon has intro-
duced the bill which revised the meth-
ods of paying the railroads in such a
manner as to reduce by about 20 per
cent the compensation now paid to the
railroads.

This proceeding not only seems high-
ly inappropriate in advance of the re-
commendation of the Congressional
Committee, but in its self proposes an
imposition upon the railroads which is
without warrant and is in the highest
degree unjust. It cannot be that such
a plan will have the support of the
American people when the people realize
what the plan actually means.

Constipated People

Can Now Forget Ills

Thousands of Former Sufferers Now Happy
Through Taking Dodson's Liver Tone
Instead of Calomel.

Many thousands of people have found
that constipation can now be safely and
easily overcome, in a perfectly pleasant
manner, by taking Dodson's Liver
Tone in the place of calomel, which is
really dangerous to so large a propor-
tion of sufferers.

Dodson's Liver Tone is made to take
the place of calomel and has been from
the first bottle put on the market. It
has none of the disagreeable features
and after-effects of calomel, which is in
fact a form of mercury, a mineral and
a poison.

The Dickson Drug Store, all reputa-
ble local druggists, positively guaran-
tee to refund purchase price (50c.) of
Dodson's Liver Tone in case you are
not entirely satisfied, and they will re-
shipped this remedy as a strictly veg-
etable-liquid, containing nothing harm-
ful.

Aside from its perfect safety, Dod-
son's Liver Tone not only leaves no
bad effects, but works easily and nat-
urally, without pain or gripe and with-
out interfering at all with your regular
habits, diet or occupation. It is very
simple to profit by the experience of
others and gain relief from constipa-
tion and sluggish liver now.—Adv.
